Geography is nothing to the librettist of a comic opera. It is much less approximately to some half dozen librettists. So it is not surprising that "The Reautiful Swede," as this musical play was called in its first incarnation, become "The Girl From Brazil" before it got to the stage of the Porty-fourth Street librettists to drag the piece half around Theatre. the world. Julius Brammer and Alfred Grunwald were the first authors. But

gave to an unknown. It is of course entirely plain from this slight indication of the material supplied by the libretists that "The Girl From Brazil" is not il hands to Brazil in the last act.
Out of the varied combination of tal-

berts so often give to New York. There were undoubted traces of the Viennese composer in the waltz movements, which were graceful and melodious. Then the moving syncopation of other numbers ust be attributable to Mr. Romberg. hoever may have supplied the ingredithe result delighted an audience that filled the large auditorium.

It was Robert Winterberg who wrote the music for "The Beautiful Swede." But Sigmund Romberg was mentioned as his colleague in the composition of the same which the audience heard last might. Mr. Homberg has a way of coming to the assistance of the Vienness composers and implanting in their work the very number which the public likes most. Maybe he did that again last night.
